

Is it 2011 already? Somehow the last few days of 2010 disappeared much faster than I was expecting. It's a good feeling to be looking ahead at the new year today. I wonder what it will bring, what we will see and where we might go. We don't have any big plans so far, so it really is a mystery right now.

Abby and I went for our last walk of 2010 yesterday afternoon and I thought I'd share a few pictures. I'm so in love with the sun at this time of year. It feels good to know we'll be seeing more of it every day.

ps. It turned out to be pretty cold, so it was a short walk.
